IMPORTANT INFO FOR YOUR IMMIGRATION PHYSICAL

FIRST VISIT

- During your visit, you will fill out the I-693 form (make sure you bring your passport or ID).
- Afterwards, Dr. Moore will see you and start filling out the physician portion of the form, he will let you know what tests and vaccines you will need, then he will perform the physical

LABS

- Take the blue and red lab forms to LabCorp.
- You can go to any LabCorp at Walgreens (walk-ins accepted).
- Closest location: 1804 Charlotte Ave, Nashville, TN 37203 (1 minute from our office).
- Hours: 8 AM–4 PM (lunch 12–1 PM). Last walk-in: 3:30 PM.
- LabCorp will send your blood results directly to us.

VACCINES

At our clinic (if needed): **TDAP** (paid here today)

At Walgreens, Walmart, CVS or Kroger (you pay there): You only need ONE of each:

- Polio (usually cheapest at Walmart)
- Hep B
- MMR
- Flu vaccine

Send pictures of your vaccine receipts to: exodusfamilypractice@gmail.com

PAYMENT

- Pay for the lab fee here at the clinic (cash or Zelle = no fee; card = 3.75% fee).
- Because you pay here, you do NOT pay anything at LabCorp.
- You will pay separately for any vaccines done at a pharmacy or clinic of your choosing.

CALL US

Call one week after your blood draw to check your lab results.

- If everything is good and we have your vaccine receipts, we will schedule your appointment to pick up your sealed envelope. Dr. Moore will also give you a small gift along with your sealed envelope
- We will also email you a copy of your I-693 form.
- We will let you know if additional vaccines or tests will be required
